The Superintendent is authorized to make exceptions to employing non licensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator, Title IX Coordinator, or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee shall consider whether action under policy 2:265, Title IX Sexual Harassment Grievance Procedure, should be initiated.

For any other alleged workplace harassment that does not require action under policy 2:265, Title IX Sexual Harassment Grievance Procedure, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under policy 2:260, Uniform Grievance Procedure, and/or 5:120, Employee Ethics; Code of Professional Conduct; and Conflict of Interest, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An alleged incident of sexual abuse is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to policy 5:90, Abused and Neglected Child Reporting. In addition to reporting the suspected abuse, the complaint shall also be processed under policy 2:265, Title IX Sexual Harassment Grievance Procedure, or policy 2:260, Uniform Grievance Procedure.

Enforcement

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee that may be up to and including discharge.

Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policy 2:260, Uniform Grievance Procedure), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the Whistleblower Act (740 ILCS 174/), and the Ill. Human Rights Act (775 ILCS 5/).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Superintendent shall also use reasonable measures to inform staff members, applicants, and nonemployees of this policy, which shall include posting on the District website and/or making this policy available in the District's administrative office, and including this policy in the appropriate handbooks.

Abused and Neglected Child Reporting (5:90)

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-

800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at www.report.cybertip.org or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect. All District employees shall:

1. Before beginning employment, sign the Acknowledgement of Mandated Reporter Status form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including sexual misconduct as defined in Faith's Law), and boundary violations as required by law and policy 5:100, Staff Development Program.

Alleged Incidents of Sexual Abuse; Investigations

An alleged incident of sexual abuse is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, Harassment of Students Prohibited.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, Personnel Records, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS. When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under Faith's Law, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in Faith's Law. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated. The Superintendent shall execute the recordkeeping requirements of Faith's Law.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child

abuse. If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately. When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, Powers and Duties of the School Board; Indemnification.

Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors (4:65)

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, Curriculum Content;
 - b. Information in policy 7:250, Student Support Services, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and employee-student boundary violations pursuant to policy 5:120, Employee Ethics; Code of Professional Conduct; and Conflict of Interest;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and employee-student boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; 5:90, Abused and Neglected Child Reporting; 5:100, Staff Development Program; and 5:120, Employee Ethics; Code of Professional Conduct; and Conflict of Interest; and
 - c. How to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment

Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.

3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and employee-student boundary violations with evidence-informed educational information that also includes:
 - a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, Employee Ethics; Code of Professional Conduct; and Conflict of Interest, and how to prevent child sexual abuse from happening;
 - b. Methods for how to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, Student Support Services.
4. Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

Education of Homeless Children (6:140)

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths, including a public pre-school education. A homeless child is defined as provided in the McKinney-Vento Homeless Assistance Act and the Ill. Education for Homeless Children Act. The Superintendent or designee shall act as or appoint a Liaison for Homeless Children to coordinate this policy's implementation. A homeless child may attend the District school that the child attended when permanently housed or in which the child was last enrolled. A homeless child living in any District school's attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided in accordance with the McKinney-Vento Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial. Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for Homeless

Children may, after the passage of 18 months and annually thereafter, conduct a review as to whether such hardship continues to exist in accordance with State law.

Release During School Hours (7:90)

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student is released during school hours: (1) at any time before the regular dismissal time or at any time before school is otherwise officially closed, and/or (2) to any person other than a custodial parent/guardian.

Early Dismissal

Announcement The Superintendent or designee shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.

Voting

The Superintendent or designee shall specify the hours during which students who are entitled to vote at a primary, general, or special election, or any election at which propositions are submitted to a popular vote in Illinois.

Student Records (7:340)

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grants students, parents/guardians, and when applicable, the Ill. Dept. of Children and Family Services' Office of Education and Transition Services, certain rights, including the right to inspect, copy, and/or challenge school student records. A student or the student's parent/guardian may request, in writing, that scores received on college entrance examinations be included on the student's academic transcript. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that

child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. The District will comply with State or federal law with regard to release of a student's school records, including, where applicable, without notice to, or the consent of, the student's parent/guardian or eligible student. Upon request, the District discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Superintendent shall fully implement this policy and designate an official records custodian for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

Fingerprinting and Criminal Background Checking Policy (5:30)

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, Equal Employment Opportunity and Minority Recruitment.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving direct contact with children or students, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Accident Reporting and Investigation

Employees must report any accident or injury to their building administrator immediately following the accident or injury. Employees will assist in completing an accident/injury report and update administration regarding recovery from accidents or injuries following doctor visits. The Administration will investigate all accidents and injuries and report to the Superintendent efforts to prevent any further accidents and injuries.

Drug and Alcohol Free Workplace (5:50)

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance, or being impaired by or under the influence of

- any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
 3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to Ashley's Law, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

Public Information Process

The Principal and Superintendent are the public relations officers of the school. Contacts with the media should be routed through the Principal first and then the Superintendent. If a member of the media contacts an employee about a school related issue, the Principal and/or Superintendent should be informed.

Responsibilities Concerning Internal Information (5:130)

District employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student school records, personnel records, and the minutes of, and material disclosed in, a closed School Board meeting. The Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

Solicitation and Distribution

Employees may not solicit or distribute literature concerning outside events or activities during the employee's working time or the working time of any employee. (Working time does not include lunch periods, work breaks, or any periods in which employees are not on duty). In addition, the posting of written solicitations or literature on District bulletin boards is restricted. Ethics (5:120)

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of

professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the Code of Ethics for Illinois Educators, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, Title IX Sexual Harassment Grievance Procedure; 4:165, Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors; 5:90, Abused and Neglected Child Reporting; and 5:100, Staff Development Program.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
 - a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
 - d. Engages in grooming as defined in 720 ILCS 5/11-25.
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, sexual misconduct. Sexual misconduct is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 1. ii. Dating or soliciting a date.
 2. iii. Engaging in sexualized or romantic dialog.
 3. iv. Making sexually suggestive comments that are directed

toward or with a student.

An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts.

Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, Ethics and Gift Ban.

Guidance Counselor Gift Ban

Guidance counselors are prohibited from intentionally soliciting or accepting any gift from a prohibited source or any gift that would be in violation of any federal or State statute or rule. For guidance counselors, a prohibited source is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the guidance counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the guidance counselor believes that it was provided due to the official position or employment of the guidance counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the guidance counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.

6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

"School purposes" include but are not limited to all events or activities or other use of school property that the Board or school officials authorize or permit on school property, including without limitation all interscholastic or extracurricular athletic, academic, or other events sponsored by the Board or in which pupils of the District participate. Cellular Phone Policy

This policy outlines the use of personal cell phones at work, the personal use of District cell phones and the safe use of cell phones by employees. This policy applies to phone calls, text messaging, pictures, etc.

Personal Cellular Phones

While at work employees are expected to exercise the same discretion in using personal cellular phones as is expected for the use of District phones. Excessive personal calls during the

workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are therefore encouraged to make personal calls on non-work time where possible and to ensure that friends and family members are aware of the District's policy. Flexibility will be provided in circumstances demanding immediate attention.

The District will not be liable for the loss of personal cellular phones brought into the workplace.

Personal Use of District-Provided Cellular Phones

Company owned electronic devices may be monitored to ensure compliance with the policy.

Employees whose job responsibilities do not specifically include driving as an essential function, but who are issued a cell phone for business use, are also expected to abide by the provisions above. Under no circumstances are employees allowed to place themselves at risk to fulfill business needs.

Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions.

The Bloodborne Pathogens Exposure Control Plan contains specific information regarding the District's policies and procedures.

All employees of the District are instructed as to the correct handling of body fluids and tissue. All positions in the District have been categorized into classifications to determine the likelihood of occupational exposure to blood, body fluids or tissue from other people. Classification I employees hold positions in which required tasks routinely involve a potential for that exposure. These employees and all others who are involved in an exposure incident are entitled to receive vaccinations for Hepatitis B at the District's expense. Classification I employees receive a handbook and appropriate cleanup materials to properly handle incidents.

Administering Medicines to Students (7:270)

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form (SMA Form) is submitted by the student's parent/guardian.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an SMA Form. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a qualifying plan, provided the student's parent/guardian has completed and signed an SMA Form. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an Ill. Food Allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Ill. State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Non -licensed Personnel Working with Students and Performing Non-Instructional Duties Nonlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Compliance with the Fair Labor Standards Act (5:35)

Job Classifications

The Superintendent will ensure that all job positions are identified as either “exempt” or “nonexempt” according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non-exempt.” “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Monday until 11:59 p.m. Sunday. Nonexempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. “Overtime” is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee’s written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, Suspension. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, Employment Termination and Suspensions.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Employment Termination and Suspensions (5:290)**Resignation and Retirement**

An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of

a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Reporting Absences & Attendance

To maintain a productive work environment, the District expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the District. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they are required to notify their supervisor as soon as possible before they are scheduled to work.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including discharge. Absence of three working days without reporting will be considered a voluntary resignation.

Employment Record/Employee Status Changes

Any changes in name, address, phone numbers, marital status, and persons to be contacted in case of an emergency must be turned into the Unit Office as soon as possible in order to keep your records current.

All non-exempt employees hired before July 1, 2018 are paid bi-monthly (24 pay dates per year). All non-exempt employees hired after July 1, 2019 are paid twice a month based on a timesheet.

Please note that the District deposits payroll earnings to our main bank, which is subsequently deposited to employees individual banks based on the schedule for posting at each local banking facility.

Accurately recording time worked is the responsibility of every non-exempt employee. Time worked is all the time actually spent on the job performing assigned duties. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action up to and including discharge. Both the administrator/supervisor and the employee can be held responsible for any of these dishonest actions, which may result in criminal prosecution. All non-exempt employees shall ensure accurate reporting of hours worked and shall sign completed time record.

The building administrator/supervisor will review and then sign the time record before submitting it to payroll for processing. In addition, if the employee makes corrections or modifications to the time record, the administrator/supervisor must verify the accuracy of the changes by signing the time record. Time is calculated by using a fifteen-minute interval for determining "hours worked" and recording of time worked by all non-exempt employees.

Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for

employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the 5:60 Page 2 of 4 District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, Use of Credit and Procurement Cards.

5. Taxis, airport limousines, ride sharing services, or other local transportation costs.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Additional Requirements for Travel Expenses Charged to Federal and State Grants

All grant-related travel expenses must be pre-approved by the Superintendent or designee.

Expenses for travel, including expenses for transportation, lodging, meals, and related items incurred by employees and charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act (30 ILCS 708/) must also meet the following requirements:

2. Expenses must be permissible under the terms and conditions of the award.
3. Expenses must be reasonable and consistent with this policy.

5. Expenses may be charged based on an actual cost basis or on a per diem basis in lieu of actual costs incurred; however, only one method may be applied per trip.
6. Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in

- accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.
8. Employees must use the least expensive compact car available when using a rental car for travel, unless an exception is approved. The Board does not reimburse employees for collision damage waiver or theft insurance.
 9. The Board will reimburse travel expenses not chargeable to an award from other District funds consistent with this policy.

Employees may use earned vacation time or personal leave to make up the absence, provided such time is consistent with the District's operational needs. A per diem deduction may also be requested by the employee.

Sick Leave (5:330)

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 12 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

COBRA Insurance

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

We provide each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee's rights and obligations.

It is the employee's responsibility to inform the Plan Administrator of the following events for eligibility purposes:

- The participant becomes entitled to Medicare benefits
- The participant and spouse become divorced
- The participant and spouse become legally separated
- A participant's child ceases to be a dependant under the plan

3. Child or dependent care expenses
4. Premiums for any qualified individual ancillary insurance (disability coverage may not be deducted pretax) you may have purchased.

The benefits eligibility date must have been reached for this benefit to become effective. Elections may only be changed during the annual election period, which is from November to December of each year. Allowable expenses include only those that were incurred during the plan year. Expenses may be submitted up to 60 days following the end of the plan year. Contributions not used will be forfeited in accordance with federal law.

Family and Medical Leave (5:185)

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each year, measured forward from the date the employee's first FMLA leave begins.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered service member (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period

during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

"Serious Health Condition" – *A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.*

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring,

except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.

2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide:
 - (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and
 - (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification

every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Conditions of Family and Medical Leave of Absence

The following conditions apply to a leave of absence pursuant to this policy:

1. In its discretion, the district may require an employee taking an approved leave of absence to periodically report on his or her status and intention to return to work.
2. An employee taking leave of absence may not engage in other work or employment during the leave of absence. If an employee engages in other work or employment during the leave of absence, the employee will be considered to have violated the terms of the leave of absence, and to have voluntarily terminated his or her employment with the district.
3. If an employee is granted a leave of absence on an intermittent basis or on a reduced schedule basis, the district may require the employee to temporarily transfer to an alternative position that accommodates the employee's recurring absences or part-time schedule.
4. When applicable, spouses that are both employed by the district are entitled to 12 work weeks of leave in total if the leave is for the birth, adoption, or for the care of or placement of a child, or to care for a parent with a serious health condition.; and
5. If at the time of applying for a leave of absence or during the leave of absence the employee intends not to return to work or decides not to return to work after the completion of the leave of absence, the employee will be liable and required to reimburse the district for the cost of payments made to maintain the employee's benefits during the leave of absence.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.
